Story Points

Story points represent the effort that involved in an issue.

1 Story Point: Issue will take 4-12 hours.
2 Story Points: 10 - 20 hours.
3 Story Points: 20 - 30 points

I think a good way to think about it is one will take part of a day (maybe half), two will take a full day and 3 will take 2 days, and so on.
